## THANKSGIVING DRIVE.

### HOME DELIVERY

Every year at Thanksgiving, we have the opportunity to show our thankfulness by sharing with others in our local community and providing them a Thanksgiving meal. No cooking involved! The meals you provide and deliver will go to local families in need who sign up through Lansing Christian Services.

Sign-up online at [rivchurch.com/thanksgiving](http://rivchurch.com/thanksgiving). After you sign-up you will be assigned a name of a family that you will be delivering to. Please contact them within 24 hours to let them know that you will be providing them a Thanksgiving meal and to find out if they have any special requests or dietary restrictions. You will then arrange a time that works for both of you to deliver the groceries.

### **ALL DELIVERIES SHOULD BE MADE NO LATER THAN SUNDAY, NOVEMBER 22.**

Your shopping list should include but is not limited to:

- one turkey
- one pie
- one stuffing mix
- potatoes
- rolls and butter
- a vegetable
- a fruit
- a beverage (non-alcoholic, please)
- whatever else they ask for or you want to give

Please be firm about establishing boundaries if the family assigned to you asks for extra things that are more than you are comfortable giving. If a family asks for assistance for Christmas, you can refer them to the Salvation Army.

Any cash donations that Riverview receives beyond what we need for the Thanksgiving drive will go into our general Compassion fund.
