ELEMENT.

MISSION

The Element ministry exists to point High School students to the liberating power of the Gospel, while challenging them in an authentic faith through intentional relationships as they grow, serve, and go.

PURPOSE

We do these things in hopes that High School students will come to know the liberating power of the gospel, grow in an authentic faith, serve others, and go on mission in whatever context that they find themselves in. We strive to create a welcoming, comfortable environment where churched and unchurched students can have fun while connecting with leaders, their peers, and the Word of God.

WHAT'S REQUIRED?

- Intentional relationships
- Place where students are empowered to live on mission
- Comfortable environment where unchurched students feel welcome
- Going where students are (meeting them where they're at)
- Excellence in planning, preparation, programming

WHEN DO WE MEET?

Weekly: Element (9th - 12th grade) meet Wednesdays 6:30 - 8:30 pm at the Holt Venue in room 203 and 204 AND the Westside venue in the Student Center.
