## GLOBAL.

### MISSION

Provide opportunities for people to understand what it means to “go” as well as ways for them to go globally.

### PURPOSE

To help our people be a part of expanding the Gospel’s proclamation, as it impacts in permanent ways with both those who cross our path on a daily basis, as well as various countries and cultures where there is a need.

### WHEN AND HOW DO I SERVE?

We partner with Back2Back Ministries (children’s orphanage in Mazatlán Mexico). We have several trips every year.
