MISSION

Our aim is to live Gospel centered lives that are on mission and in community.

PURPOSE

Living life “in community” means being a part of something that matters, having face-to-face interaction with others, knowing others, and being known.

WHAT’S REQUIRED?

- Grow together in meaningful relationships and do life together
- Study the Word and apply it to our lives
- Pray for each other’s spiritual growth
- Exist together on mission to further Jesus’ heart for others

WHEN DO THEY MEET?

Each group determines what times work best for them. Many groups meet every other week.
