Quick Thoughts

The Scriptures teach that God expects believers to know that they have eternal life, an assurance in this life that they will live forever in the next! Jesus said this about those who believe in him, "I give them eternal life, and they shall never perish." It is normal for Christians to know this, and live in light of that truth. In the message, we covered what Jesus meant when he promised eternal life and we looked at many promises that show that believers will persevere to the end and may be assured of their salvation. The Holy Spirit is the "seal" guaranteeing our inheritance with Christ in eternity!
